

## LOTIERIE ROMANDE OBTAINS THE EQUAL-SALARY CERTIFICATION

**Vevey/Lausanne, December 7, 2020** – The EQUAL-SALARY Foundation is pleased to announce that Société de la Loterie de la Suisse Romande (**Loterie Romande**) has obtained the EQUAL-SALARY certification, symbol of excellence in terms of equal pay. After successfully passing the statistical analysis of its salaries, Loterie Romande underwent an internal audit entrusted to PwC proving that it applied equal pay for women and men.

*« The EQUAL-SALARY certification of Loterie Romande is a great satisfaction. Through its support to social action, culture, sport, education, research, heritage and environment in the French speaking part of Switzerland, Loterie Romande allows the influence of equal pay to spread wider towards its beneficiary organizations. »* comments **Véronique Goy Veenhuys**, Founder of EQUAL-SALARY.

*« Loterie Romande is convinced about the importance of equal pay benefitting to society at large, as much as it is convinced about the necessity of implementing practical measures to promote this principle. In that context, the EQUAL-SALARY certification comes as a reward for a day-to-day commitment to guarantee fair and equal compensation for work of equal value and to ensure equal opportunities. This certification represents an important milestone and enforces our process of continuous improvement. Loterie Romande thus commits to continuing its efforts in order to offer a workplace where diversity and equal opportunities are fostered. »* adds **Jean-Luc Moner-Banet**, CEO of Loterie Romande.

### Equal pay in practice

While most companies claim to pay women and men the same, the gender pay gap is still close to 23% on a worldwide level, reaching an average of 16.2% in Europe. (source: eurostat June 2018, based on 2016 data).

### About the EQUAL-SALARY Foundation

EQUAL-SALARY is a not-for-profit foundation established since 2010. It is the first and only certification, based on a robust and transparent methodology, that focuses on equal pay for women and men. The development of the EQUAL-SALARY certification was financially supported by the Federal Office for Gender Equality and its methodology was used as a reference by the Swiss Federal Court of High Justice.

EQUAL-SALARY is the only certification for equal pay highlighted by the European Commission in a report on Gender Pay Gap. EQUAL-SALARY is a member of EPIC (Equal Pay International Coalition) and of the UN Global Compact.

To date, the EQUAL-SALARY Foundation has completed over 90 certification procedures throughout the world. Several of the certified companies have renewed their commitment, demonstrating a strong will to promote fairness, building trust and respect for their employees.

As an EQUAL-SALARY employer, an organisation is in a better position to attract and retain talent and to prove it complies with the rules of good governance.

# EQUAL PAY IS A BASIC HUMAN RIGHT. LEAD BY EXAMPLE.

## About the EQUAL-SALARY certification process, symbol of excellence

Similar to an ISO for wages, the EQUAL-SALARY certification process includes two phases. First, experts contracted by EQUAL-SALARY run a statistical analysis of salary data based on a methodology developed with University of Geneva.

Second, if the results are positive and show an overall gender pay gap under 5 percent, the process is moved further and an audit is contracted with PwC, our main auditing partner, who certifies the conformity of the process. During this phase, PwC assesses both the company's overall commitment to equal pay as well as its implementation in Human Resources processes. In order to be fully inclusive, employees are involved through a survey and interviews during the on-site audit. Only the companies having fulfilled all the requirements of the procedure get the EQUAL-SALARY certification, meaning they have reached excellence in equal pay.

The EQUAL-SALARY certification allows organizations to verify and communicate that they pay women and men fairly. It is a practical and scientific solution to achieve transparency, while preserving confidentiality.
