About the *Equal Pay and Opportunities, by EQUAL-SALARY* certification process, a symbol of excellence

Similar to an ISO standard for wages, the *Equal Pay and Opportunities, by EQUAL-SALARY* process includes two phases: First, experts contracted by EQUAL-SALARY run statistical analyses of salary data. Upon concluding phase one successfully, demonstrating an overall pay gap equal to or lower than 5 per cent, phase two is initiated. Phase two consists of an audit conducted by major audit firms such as Forvis Mazars or SGS, who assess both the company's overall commitment to equal pay and equal opportunities, and its implementation in Human Resources processes. To allow a comprehensive approach, top management, HR and employees are involved by means of surveys and interviews during the on-site audit. Only the companies that successfully meet all requirements of all phases are awarded the *Equal Pay and Opportunities, by EQUAL-SALARY* certification, proving their excellence in equal pay and equal opportunities.

The *Equal Pay and Opportunities, by EQUAL-SALARY* certification allows organisations to verify and communicate that they pay their employees fairly and offer equal opportunities across gender, ethnicity, or both. It is a practical and scientific solution to achieve transparency while preserving confidentiality.
